We are a MOVEMENT

Active Mobility | Bringing People Together

CAPE TOWN South Africa

Active Mobility | Bringing People Together

CHANGE is possible

Active Mobility | Bringing People Together

Climate Change

Change is possible

Transport

Change is possible

Justice

Change is possible

Active Mobility | Bringing People Together

Climate Change

- Transport sector
- Requires a whole society approach

Citizen-led solutions

Transport

- People-centered
- Recognize context
- In public space

Citizen-led solutions

Justice

- Distributive
- Procedural
- Restorative
- Choice = access

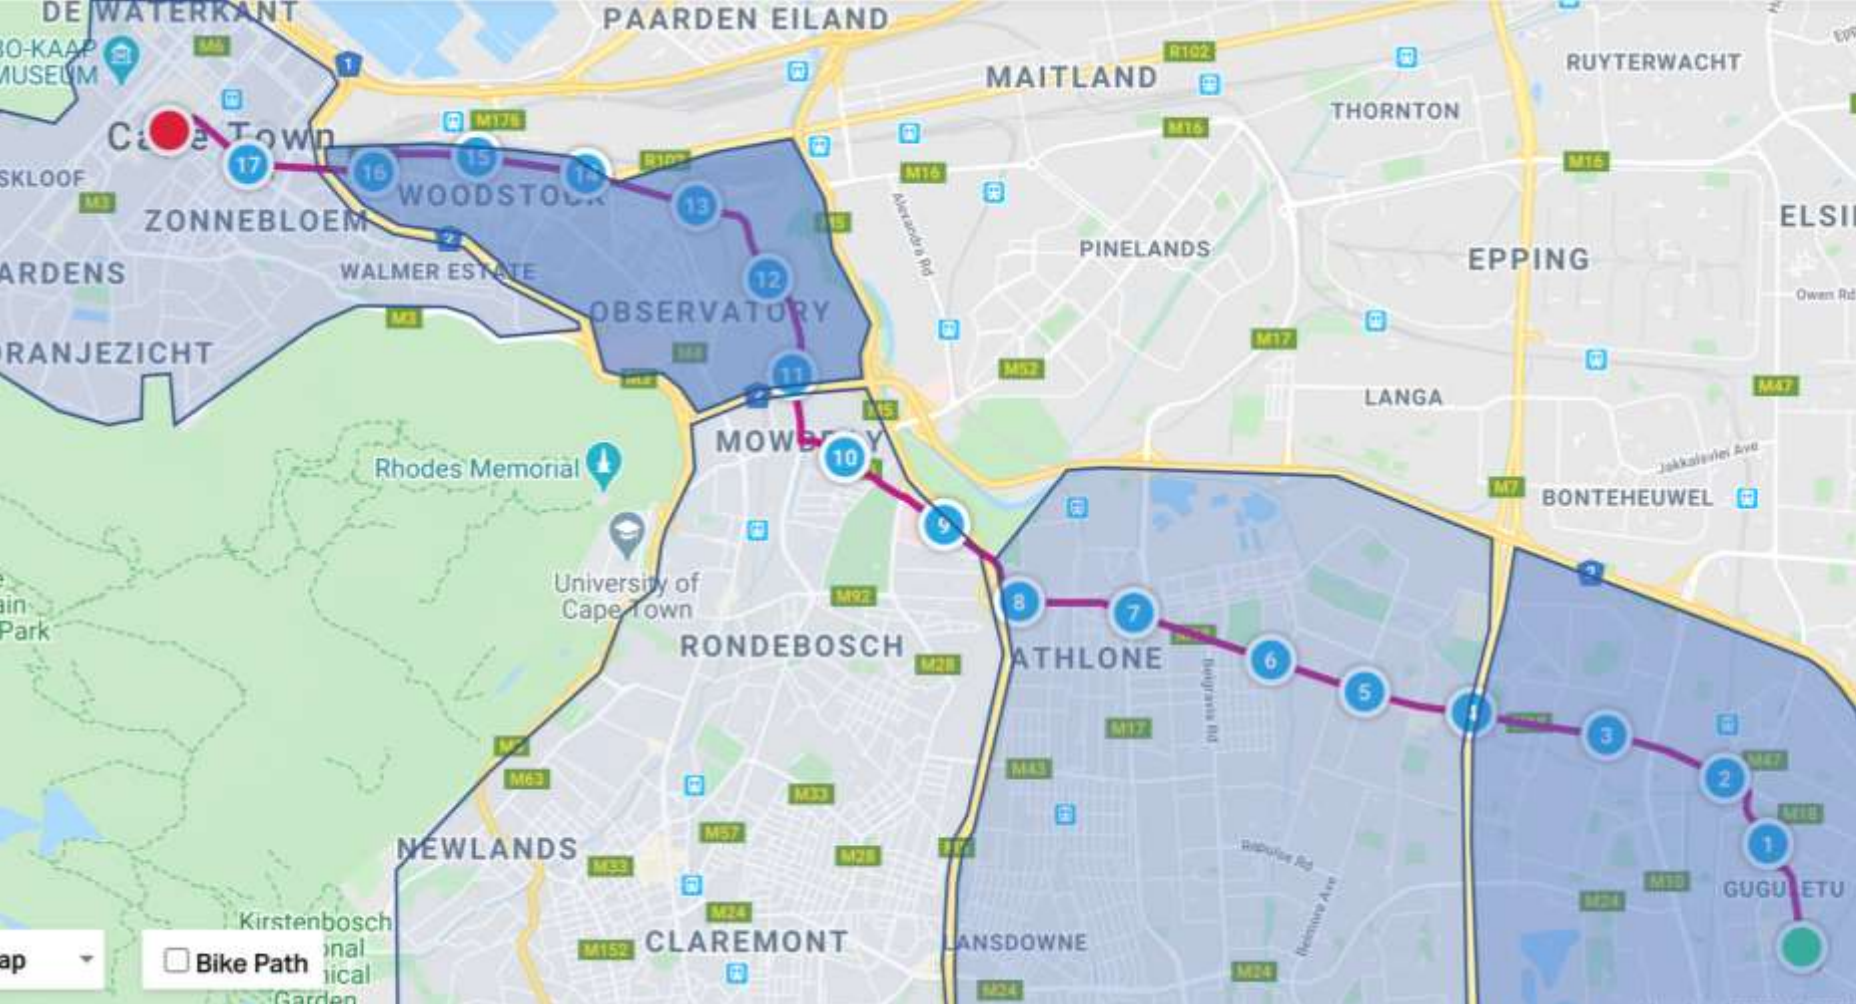

Citizen-led solutions

BIKE BUS Video

Active Mobility | Bringing People Together

Distance of 17km | Across 5 diverse racial social economic neighborhoods | 6 pick up points | 3 trained marshals | Ave group size 7
