Knowledge Products

Case studies

8 sustainable urban mobility plans for people and/or goods
3 country profiles
1 brochure

Webinars

8 webinars on air quality, e-mobility, walking and cycling, SUMP and low carbon freight

Media

4 featured ICLEI CityTalk posts
18 EcoMobility own blog posts
4 online or local media coverage
1 video clip

OUTREACH

 Workshops

OUTREACH

-  Workshops
-  Speaking sessions
-  Strategic partnership meetings

A vibrant city street scene, likely in Europe, featuring multi-story buildings with varied facades. On the left, a yellow sign for 'VOLLMAR' is visible. In the center, a white building with a mansard roof stands out. On the right, a black sign with 'O2' is prominent. The foreground is filled with pedestrians, including a man in a red shirt and a woman in a blue dress pushing a stroller. To the right, an outdoor cafe with tables and chairs is bustling with people. A teal semi-transparent box is overlaid in the center, containing white text.

**How can we work together to
address mobility issues in our cities?**
